Anchorage - Trailside Elementary School - Purchase Lexia Software for Computer Lab

State Funding Requested: \$ 10,000**House District: 30 - O**

One-Time Need

Brief Project Description:

Purchase Lexia software to help students identified as borderline or below proficient in Language Arts and Math.

Funding Plan:**Total Cost of Project: \$10,000**Funding Secured*Amount FY*Other Pending Requests*Amount FY*Anticipated Future Need*Amount FY*

There is no other funding needed

Detailed Project Description and Justification:

Lexia software is an important tool used to help students identified as borderline or below proficient in Language Arts or Math. This project will meet ASD's program goals by providing additional support for students who are at risk of not becoming an independent reader by 3rd grade and also for students whose performance on state and district measures is considered below or borderline proficient.

The benefits of this project will be giving students needed additional support to increase academic achievement. If the project is not offered, the tutoring program currently offered will have to be reduced significantly.

Project Timeline:

Expenditures can be made as soon as funds are available.
